Shell Oil Company hereby agrees that any patent granted on application Serial No. 09/992,784 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 6,579,825, this agreement to run with any patent granted on U.S. application Serial No. 09/992,784, and to be binding upon the grantee, its successors or assigns.
